Regarding 09/864,537

The information contained in this facsimile is confidential and a privileged client attorney communication. If you are not the intended recipient, any dissemination, distribution or copy of this facsimile is strictly prohibited. If you have received this facsimile in error, please notify me immediately. Thank you.

Examiner Corrielus:

We have spoken a few times about case 09/864,537 over the last several weeks since I resubmitted the requested terminal disclaimer on May 20, 2004. Recall that you were intending to send out a Notice of Allowance as soon as you received the file.

I have looked into the status of this case on the PAIR system and found that its location is designated as "electronic" (see Attachment #1). As explained in Attachment #2, this means that "the official file is an electronic image file". It would appear that there is no physical file that will be brought to your office at this point.

It seems to me that the next step would be for you to mail a Notice of Allowance (you had drafted one in April—see Attachment #3, also from the PAIR system), allowing either:

- 1) all the claims by rejoining withdrawn Claims 61-68 as requested in my amendment of April 13, 2004; or
- 2) canceling withdrawn Claims 61-68 in an Examiner's amendment, in accordance with MPEP 821.01, and allowing all the remaining claims.

If my understanding of the situation is not correct, please call me so that I can file any required supplemental response in the Patent Office as soon as possible.
